February 9, 2011.

The meeting was called to order at 7:00P.M. by chairperson, Earl Begg. All commissioners were present. The minutes were read and approved. Dennis Schmandt presented his quarterly report. Dennis Schmandt also had questions about the current home occupation ordinances and these were verified with the ordinance.

Curtis Stow, Todd Fackler and Earl Begg had met with Robert Gohsman to clarify his variance request presented at the December meeting. Todd Fackler will supply the correct tax ID#. Earl Begg at this time states that the request will be to keep the property parallel to M15 and 501 feet from the center of M15 zoned commercial and the remainder is to be medium density residential. A motion was made by Gerald Peterson to allow the property parallel to and 501 feet from the center of M15 to remain commercial and the remainder of the property to be rezoned medium density residential (see drawings from December public hearing). This was supported by Earl Begg and the vote was six in favor and John Bishop abstained. Note: due to the fact that Robert Gohsman has gone back to his original plan as presented it was deemed another public hearing will not be necessary.

John Bishop read the minutes of the Township Board Meetings.
Work session followed on chapters 1,3,7,8,12,15.
Meeting adjourned at 9:50P.M.
