

## Tuscola Township Planning Commission

Approved Minutes Feb.10, 2015

The meeting was called to order by Chairperson, Thelma Bushong at 7:00 P.M.. John Bishop was absent. All remaining Commissioners were present.

Rob Eggers was present from Spicer Engineering and gave handouts and proposed surveys to be used for gathering information from the residents of the Township. Time was spent discussing the best ways to distribute and inform the the residents of the survey, in hopes of gathering the best cross section of information. Michelle will take the survey to the Township Board meeting for input as well as requesting the approval to mail postcards to Township residents telling them about the survey and where they can obtain a copy as well as providing a website to go on to do the survey. The proposed mailing of the postcards would be March 30<sup>th</sup> and we hope to have them completed and compiled by the May meeting of the Planning Commission.

The minutes of the previous meeting were read and approved following a motion by Craig Kirkpatrick and support by Larry Kern and a unanimous vote. Michelle Hicks read the minutes of the Township board. With no further business, the meeting was adjourned at 8:40 P.M..

Respectfully submitted,

Carol Smith, secretary
